409.8750		Handheld F4	Construction & Lock Crews

Railroads

BNSF has a small holding yard on the east end of their line in downtown Rock Island. The line itself is shared with Iowa Interstate through Moline, East Moline & Silvis to a yard in Barstow. They use 161.415 which is the district channel from Galesburg to Savanna.

Iowa Interstate owns the main line once owned by the Rock Island Line. They however do not own the Silvis yard, once the hub of the Rock in this area. A small yard by the Rock Island Depot in northeast corner of Rock Island is the only yard used. IAIS uses 161.2200 for the Road Channel. 160.320 has been listed as a Yard Channel but see little use this area. 160.305 also listed for the IAIS but seems to be only a chit-chat channel.

National Railway Equipment owns the former Rock Island Lines' Yard in Silvis. They rebuild railway equipment and have used 151.9550 in the past.

The **Crescent Railroad Bridge** downstream of the Centennial Bridge on the Mississippi River uses 160.770 for communications with Iowa Interstate trains. They can be also heard on Marine Channels 15 (156.700) & 16 (156.800) for communications with marine traffic.

Racom Network Trunked Radio System:

Several Public Safety Agencies and the US Army’s Rock Island Arsenal contracts with Racom for trunked radio service on Racom’s regional EDACS system. There are seven tower sites within the Quad-Cities area. Any tower within the network may carry a dispatch’s talkgroup communications as a mobile may move throughout the service area. Generally all the sites below will have the Dispatch TGs and any other TGs as would be as needed. Moline & East Moline Police & Fire agencies share a Dispatch center in Moline.

There is a unit ID on the RACOM Network for Moline, East Moline, Milan, Rock Island Arsenal & Black Hawk College. Fire Units will have equipment type name first followed by unit number (Engine, Ambulance, Air, or Truck).

<u>First digit (Agency or City)</u>		<u>Second Letter (Police non-Patrol)</u>	
1	Moline	A	Administration
2	East Moline	E	Extra Unit East?
3	Milan Police Dept.	I	Investigation
3	Rock Island Fire Dept.	J	Juvenile
4	Black Hawk College PD	K	Unknown
4	Rock Island Arsenal FD	M	Motorcycle (Moline PD)
<u>Second Digit (Number) (Police Patrol)</u>		O	Animal Control
		P	Unknown
1	First Shift (Days)	S	Extra Unit South?
2	Second Shift (Evenings)	W	Extra Unit West?
3	Third Shift (Nights)	Z	Unknown

Command Officers in the Moline & East Moline Police Depts. have four digits.
 For Fire Units the second digit is the station the unit is from.
