NorComm is owned and operated by Superior Ambulance Company, which provides EMS service for several area communities as well as private ambulance service and fire station staffing services. NorComm dispatches several police and fire departments in the West Suburbs and staffs other dispatch centers. They also serve as MABAS Division 20. Do not confuse this with Norcom, a shared infrastructure police network in the north suburbs.

"Event" channels are used for special events such as the Ravinia detail.

"Pace 1" is used by Headquarters staff and Technical Services personnel.

Superior Air-Ground Ambulance, Inc., long a private ambulance and medi-car provider, has branched out into providing front-line and back-up EMS service for several suburbs in the Chicago area. They also provide dispatch services, staff firehouses and provide alarm monitoring services. The Metro Paramedic Services subsidiary provides staffing for up to 20 communities in the area, including Bensenville, Elmhurst and Glen Ellyn as well as temp service to several other communities such as Libertyville, Countryside FPD and Mundelein. Most well known of the radio operations is the Superior run "Norcomm" dispatch center at Elmhurst. They are also MABAS Division 20 HQ.
