Will County has over a half million residents, making it the 4<sup>th</sup> largest county in the state. It has a heavy industrial base in the Joliet/Lemont area, with several large oil refineries, quarries and other plants. Stateville, the largest prison in Illinois is near Joliet. Joliet also has a pair of Riverboat casinos. Will County uses a 6 channel Ericsson EDACS system with 5 simulcast transmit sites. Several local communities use the system along with the Sheriff and other county operations, The system simulcasts several VHF and UHF channels, including EMA and local police and fire dispatch channels.

Many operations will be converting to StarCom21 in 2013 and beyond.
